

CURRICULUM VITAE: DEAN K. WILSON, P.E., FSFPE, C.F.P.S.

EDUCATION:

B.A. in Writing and Psychology, Houghton College, Houghton, NY, 1968.

CURRENT STATUS:

Retired from full-time employment since July 31, 2003.

Assistant to the President, Mainstay Ministries, Wheaton, IL from 2009 to Present. Assists in development and maintenance of website strategies and execution. Serves as host for weekly “Sermon-Coach.com Podcast.”

PROFESSIONAL and WORK EXPERIENCE:

Senior Engineer, Hughes Associates, Inc., Baltimore, MD from 1999 to 2003. Beginning in 2001, managed an office in Erie, PA. Provided multidisciplinary consulting services in an integrated variety of business and engineering disciplines. Consulting services embraced five basic areas:

- fire protection engineering
- security engineering
- adult educational development
- business process operations and redesign
- technical writing

Managed, directed, and supervised the daily work assignments of 3 other senior engineers, located respectively in Cincinnati, OH, Tyler, TX, and Oakdale, CT. Also served as Chief Learning Officer of NextKnowledge, LLC, a Hughes Associates, Inc. company.

Previously managed the Hughes Associates, Inc. office in Windsor, CT, from 1999 to 2001.

Scope of specific work assignments included the following:

Fire protection engineering consulting services included code consulting and fire protection engineering.

Typical projects included:

- assisting clients as they develop overall, site-specific fire protection goals and objectives
- conducting fire detection and fire alarm system needs analysis
- providing design, design review, and installation oversight for fire detection and fire alarm systems
- analyzing site-specific OSHA requirements
- assisting clients to organize and train fire brigades and other emergency response teams
- providing design, design review, and installation oversight of facility-wide emergency notification systems
- providing design, design review, and installation oversight of automatic sprinkler systems and special hazard extinguishing systems
- providing design, design review, and installation oversight of fire protection water supplies, including connection to public or private water mains, fire booster pumps, fire pumps, storage tanks, and associated control equipment
- assisting clients to implement HAZWOPER and other federal and state regulations regarding hazardous materials
- conducting fire protection analysis of industrial processes
- providing design, design review, and installation oversight of combustion safety controls for fuel-fired equipment
- providing analysis of the fire protection component of disaster recovery planning

PROFESSIONAL and WORK EXPERIENCE: (Continued)Fire protection engineering consulting services (continued)

- providing Life Safety Code analysis and property protection analysis of clients' facilities and developing fire-safety design alternatives to code requirements
- investigating fires and other life safety and property protection incidents
- assisting clients with the development of and compliance with building codes and fire codes
- helping clients interface with the national research and testing laboratories.

Other fire protection engineering projects included:

- developing and evaluating performance-based design alternatives
- providing design and design analysis of new and existing life safety systems
- auditing and testing existing fire protection systems
- conducting investigations of system failures
- providing litigation support and serving as a technical expert for the legal profession in matters relating to fires, loss of life in fires, property damage due to fire, and failure of fire protection systems during a fire
- providing oversight management of new fire protection systems installations
- assisting architects, mechanical engineers, electrical engineers, civil engineers, and chemical engineers in fire protection designs for new construction and building renovations.

Security engineering consulting services included code consulting and security engineering. Typical projects included:

- assisting clients as they develop overall, site-specific security goals and objectives
- conducting security system needs analysis
- providing design, design review, and installation oversight for security systems
- investigating security related incidents
- auditing and testing existing security systems
- providing oversight management of new security systems installations
- assisting architects, mechanical engineers, electrical engineers, civil engineers, and chemical engineers in security designs for new construction and building renovations.
- helping security system clients interface with the national research and testing laboratories.

Adult educational development consulting services. Typical projects included:

- job task analysis
- training methods analysis
- analysis and application of adult learning theory to training methods
- modularization of existing training content
- learning objective development
- content development
- instructor training and development
- training program documentation development
- certification program development
- principal developer of National Fire Protection Association training programs

As Chief Learning Officer of NextKnowledge, LLC, a Hughes Associates, Inc. company, supervised and provided quality control management of the development of web-based training. Assisted clients in using *AuthorSphere Designer Template* web-based training development tool.

Business process operations and redesign consulting services. Typical projects included:

- business process analysis
- process flow prioritization
- personnel task analysis
- project management analysis and design

PROFESSIONAL and WORK EXPERIENCE: (Continued)Business process operations and redesign consulting services (continued).

- employee actualization analysis and reconstruction
- team-building skills development
- cost-benefit analysis
- benchmark development and implementation
- product or service market analysis
- internal and external communications analysis and development
- marketing and product or service positioning analysis
- advertisement development and analysis

Technical writing consulting services. Typical projects included:

- subject and market analysis
- content development
- print production management
- Style Manual development
- Power-writing training

Director-Loss Prevention Training, Industrial Risk Insurers, Hartford, CT from 1969 to 1999. Beginning in 1989 through 1999, reported to the Senior Vice President-Loss Prevention. Managed the IRI Loss Prevention Training Center and Fire Safety Laboratory with a professional staff of four, a support staff of two, a field training staff of 41 trainers, a field training support staff of 59, and an annual budget of \$15 million.

Scope of specific work assignments included the following:

- Developed, directed, and managed the training of Industrial Risk Insurers' loss prevention personnel.
- Developed, directed and managed the loss prevention training of persons employed by Industrial Risk Insurers' insured facilities, as well as other students drawn from the greater insurance and loss prevention/fire prevention community. These persons included insurance company representatives, insurance brokers, insurance agents, inspectors, fire marshals, fire chiefs, government agency representatives, manufacturers, installers, and other providers of protective systems.
- Managed the Loss Prevention Department interface with the Communications Department, and especially with the editor of *Industrial Risk Insurers Sentinel* magazine (circulation of 76,000).
- Provided professional standards development and other written direction to Industrial Risk Insurers' loss prevention personnel in matters relating to management programs for loss prevention and control, fire alarm and security systems, OSHA regulations, electronic systems protection, hospitals, department stores, fossil-fueled electric power generating plants, radio and television broadcasting facilities, and printing plants.
- Led seminars on management techniques, task analysis, time management, supervisory skills, interpersonal relations, sales and marketing skills, presentation skills, writing skills, program development skills, and a variety of basic, intermediate, and advance fire protection engineering and security engineering topics.

Previously held positions from 1989 back to 1969 included: Assistant Director-Research, Research Consultant, Executive Engineer, District Supervising Engineer, Senior Engineer, Engineer, and Inspector.

Principal and Chief Engineer, D. K. Wilson Associates from 1965 to 1999. Operated as a part-time umbrella business venture to provide a wide range of consulting services. These services included providing general business consulting services in a variety of subject areas, including fire protection engineering, fire protection systems design, fire protection system design review, fire protection system installation oversight, security system design, security system installation oversight, life safety risk analysis, property protection risk analysis, fire protection systems design, fire investigation, educational development, disaster recovery and business continuity planning, business process redesign, creative writing, industrial psychology, marketing, product development, public relations, software application development, and technical writing.

Continued. . .

PROFESSIONAL and WORK EXPERIENCE: (Continued)

Instructor, Hartford State Technical College, Hartford, CT from 1974 to 1977. Taught courses in Industrial Processes and Hazards, Fire Hydraulics, Alarm and Signaling Systems, and Fire Officer Management and Command for the Fire Science Degree Program.

Printer, Houghton College, Houghton, NY from 1967 to 1969. Performed letterpress and offset printing operations, including setting of hand type and using a linotype. Operated presses and bindery equipment.

Director of Auditorium Operations, Houghton College, Houghton, NY from 1965 to 1968. Held this position while attending college. Provided direction and oversight of auditorium operations, including technical engineering of stage lighting and sound reinforcement and reproduction systems, operation of motion picture projection systems, custodial services, preventive and break-down maintenance. Managed a staff of seven lighting and sound technicians, two maintenance workers, and 14 part-time custodians.

Nightwatchman, Houghton College, Houghton, NY from 1966 to 1968. Held this position while attending college.

Public Relations Intern, Houghton College, Houghton, NY from 1966 to 1967. Held this position while attending college.

Mailroom Clerk, Houghton College, Houghton, NY from 1965 to 1966. Held this position while attending college.

Dishwasher and Groundskeeper, Camp Findley, Findley Lake, NY during the summers of 1964 and 1965. Held this position while attending high school.

Clerk, Electronics Wholesale Co., Bradford, PA from 1964 to 1965. Held this position while attending high school.

Jewelry Engraver, Paul Colburn Jewelers, Bradford, PA from 1961 to 1965. Held this position while attending junior high school and high school.

Boat Electrician, Bradford Marine Supply, Bradford, PA from 1959 to 1961. Held this position while attending junior high school.

Certifications

Licensed Professional Fire Protection Engineer, State of Connecticut Board of Professional Engineers and Land Surveyors, Hartford, CT, No. 19125.

Certified Fire Protection Specialist (C.F.P.S.), Board of Certified Fire Protection Specialists, Quincy, MA, No. 633.

Professional Awards

Outstanding Young Man in America, U. S. Junior Chamber of Commerce, Washington, DC, 1974.

William H. Doyle Award, American Institute of Chemical Engineers Loss Prevention Symposium, New Orleans, LA, 1988.

Outstanding Service Award, Automatic Fire Alarm Association, 1992.

Gold Circle Award, Security Industry Association, 1995.

PROFESSIONAL and WORK EXPERIENCE: (Continued)**Professional Awards** (continued...)

IMSA Journal Award for Journalistic Excellence, International Municipal Signal Association, 1996 and 1997.

Committee Service Award, National Fire Protection Association, 1997.

Person of the Year Award, Automatic Fire Alarm Association, 2000.

Hats Off Service Award, Society of Fire Protection Engineers, 2002.

Service Appreciation Award, MD/DC/VA Chapter of the Automatic Fire Alarm Association, 2002.

Rolf Jensen Award, Society of Fire Protection Engineers, 2004.

Significant Service Award, Underwriters Laboratories Inc., 2005.

Fellow, Society of Fire Protection Engineers, 2006

Standards Medal, National Fire Protection Association, 2006.

Lawrence L. Neibauer Lifetime Achievement Award, Automatic Fire Alarm Association, 2008.

Hats Off Service Award, Society of Fire Protection Engineers, 2008.

Current Committee Memberships

Member, Board of Directors of the Fire Detection Institute, 1988-present.

Member and Chief Technical Advisor, Board of Directors of the Professional Alarm Services Organizations of North America, 1991-present.

Member Emeritus, National Fire Protection Association's Technical Correlating Committee on Signaling Systems for Fire and Life Safety, 1998-present.

Former Committee Memberships

Member, Central Station Alarm Association Insurance Liaison Committee, 1973-1998.

Member, National Fire Protection Association's Technical Committee on Supervising Station Fire Alarm Systems, 1974-1998. Chair from 1984-1990.

Member, National Fire Protection Association's Technical Committee on Protected Premises Fire Alarm Systems, 1974-1998.

Member, American Insurance Association Advisory Engineering Council's Committee on Alarms and Signaling Systems, 1978-1998. Chair from 1982-1998.

Member, National Fire Protection Association's Technical Correlating Committee on Signaling Systems for Fire and Life Safety, 1988-1998. Chair from 1993-1998.

Member, National Institute for Certification in Engineering Technologies Fire Protection—Fire Alarm Examination Committee, 1982-1996. Chair from 1987-1996.

Member, UL Burglary Protection Council, 1988-2005.

Member, UL Fire Council, 1999-2005.

Member, National Fire Protection Association's Technical Committee on Loss Prevention Procedures and Practices, 1982-1998. Chair from 1987-1992.

Secretary, Board of Directors of the Fire Detection Institute, 1988-2000.

Member, Institute for Life Safety Technology and Emergency Management Education of the Alliance for Fire and Emergency Management, 1989-1995. Chair from 1992-1995.

Member, National Fire Protection Research Foundation's International Fire Detection Research Project Technical Advisory Committee, 1989-1997.

Member, National Fire Protection Association's Technical Committee on the *National Electrical Code*[®] Code Making Panel 16, 1988-1998. Chair from 1993-1998.

Member, National Fire Protection Association's Technical Committee on the *Fire Prevention Code*, 1992-1997.

Member, Board of Directors of the Automatic Fire Alarm Association, 2000-2002.

Continued . . .

PROFESSIONAL and WORK EXPERIENCE: (Continued)**Former Committee Memberships** (continued...)

Member, Board of Directors of the National Fire Protection Association's Building Fire Safety Systems Section, 1999-2005.

Member, National Fire Protection Association's Technical Committee on Premises Security, 2000-present.

Member, Engineering Education Committee, Society of Fire Protection Engineers, 2002-present.

Chair from 2002-2004

Society Memberships

Life Member, Automatic Fire Alarm Association

Member, International Municipal Signal Association

Life Member, National Fire Protection Association

Member, New York State Association of Fire Chiefs

Life Member, Professional Alarm Services Organizations of North America

Member and Fellow, Society of Fire Protection Engineers, Certificate No. 7561

PUBLICATIONS AND PRESENTATIONS:

A complete list of publications and presentations is attached at the end of this curriculum vitae.

COMMUNITY SERVICE EXPERIENCE:

Webmaster, Redeemer Presbyterian Church (EPC), Erie, PA from 2011 to Present. Maintains church website and Facebook page. Reports to Leadership of the church.

Director of Communications, First Presbyterian Church of the Covenant, Erie, PA from September 1, 2003 to February 28, 2009. Reported to Senior Pastor. Served as a member of the Program Staff. Oversaw the development of a comprehensive program of written communications, both internally and externally, to help position the church to fulfill its Mission Statement and to realize the full potential of its branding statement: "First Presbyterian Church of the Covenant: *Where tradition comes to life!*"

Provided Team Building Training for the church staff and church officers. Revised all means of communications within the church, including the church newsletter, church website, church weekly bulletin, and various procedural documents. Developed a comprehensive church information manual and an informational and devotional booklet: *The Bridge*. Managed the Agenda for the Session (Board of Elders) Meetings. Assembled and edited the church *Annual Reports*.

Developed a comprehensive external communications campaign, including print and radio advertising. Managed the communications activities for all church-wide events.

Assisted the Senior Pastor by editing all church-wide letters and other communications, and by developing PowerPoint presentations. Assisted the Associate Pastor and Director of Youth and Family Ministries in the development of Christian Education materials. Assisted the Minister of Music and Worship by developing a music department newsletter and creating written operational procedures. Assisted the Director of Administration by developing and implementing written policies and procedures, by creating written job descriptions for staff members, by assisting with evaluation of staff competency, by overseeing the operation of the church technical crew, church sound system, and church audio-visual equipment, and by serving as church computer system administrator. Served as staff liaison to the Communications Function Group of the Ministry of Administration.

Continued. . .

COMMUNITY SERVICE EXPERIENCE: (Continued)

Announcer/Engineer, CRIS (Connecticut Radio Information Service for the Blind), Wethersfield, CT from 1980 to 1985. Part-time air shift. Prepared and delivered news and features reports for this sub-carrier authorization radio station for the blind.

Announcer/Engineer, Radio Station WIHS, Middletown, CT from 1974 to 1981. Part-time Saturday morning air shift. Prepared and delivered news report. Operated station's transmitter and controls.

Fire Fighter, East Aurora Fire Department, East Aurora, NY from 1969 to 1971. Volunteer responsible for routine fire fighting activities and for supervising overhaul at sprinkler-protected properties.

Engine Company Captain, Training Officer, Fire Marshal, Houghton Fire Department, Houghton, NY from 1965 to 1969. Managed fire ground operations of an engine company. Provided direction and oversight of training of fire fighters in basic and advanced fire ground operations, pump operation, aerial platform operation, and rescue company operations. Provided building inspection services and plans review services for commercial, industrial, and institutional occupancies throughout the Caneadea Fire District.

Chief Electrician, Arena Playhouse Productions, Bradford, PA from 1961 to 1965. Directed crew of five to provide technical services including theater lighting and sound reinforcement and reproduction systems operation for this theater-in-the-round company.

Student trainee, Radio Station WESB, Bradford, PA from 1960 to 1965. As a student trainee, afforded experience in all phases of radio broadcasting, including production, news writing, commercial writing and production, programming, music library operations, announcing, technical and engineering operations. Provided announcing and engineering as a disc jockey, sports color announcer, news announcer, and commercial production announcer.

Volunteer Awards

Howard D. Lefever Music Award, First Presbyterian Church of the Covenant, Erie, PA, 2003.
(Shirley W. Wilson, co-recipient)

Winifred Ames Adair Award for Excellence in Staff Service, First Presbyterian Church of the Covenant, Erie, PA, 2006.

A COMPLETE LIST of PUBLICATIONS and PRESENTATIONS

Dean K. Wilson, P.E., FSFPE, C.F.P.S.

PUBLICATIONS

In addition to the articles and book chapters listed below, Dean K. Wilson previously served as the co-editor of a bi-monthly newsletter, *The Moore-Wilson Signaling Report*, published until the summer of 2013 by Hughes Associates, Inc. He served in this position since the publication began in April of 1989. Until 2005, Dean Wilson wrote the majority of the articles for each 16-page issue—an average of seven articles per issue. From 2005, he continued to write at least one article for each issue. In 2010, he resumed duties as principal editor and publisher.

Dean also writes blog postings at <http://www.deankwilson.com/blog.html>

The Presentations, detailed in the second section of this list, also each required either the development of written seminar materials or the production of a formal paper related to the topic of the specific presentation.

“Fire Alarm Notebook: The Cost of Integrity.” *IMSA Journal*. Volume 52 Number 4. July/August 2014. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Avoiding a Food Court Fight.” *IMSA Journal*. Volume 52 Number 3. May/June 2014. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: ‘Not listed! Eggs in a Basket!’”
IMSA Journal. Volume 52 Number 2. March/April 2014. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: ‘Why should we comply with the Code?’” *IMSA Journal*. Volume 52 Number 1. January/February 2014. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: ‘I need to test how often?’” *IMSA Journal*. Volume 51 Number 6. November/December 2013. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: ‘I Need a Roadmap!’” *IMSA Journal*. Volume 51 Number 5. September/October 2013. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: What Kind of Training and How Much?” *IMSA Journal*. Volume 51 Number 4. July/August 2013. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: ‘Can You Hear Me Now?’” *IMSA Journal*. Volume 51 Number 3. May/June 2013. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Update: UL and Survivable Cable.”
IMSA Journal. Volume 51 Number 2. March/April 2013. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Surviving the Survivable Cable Crunch.” *IMSA Journal*. Volume 51 Number 1. January/February 2013. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: ‘No! I’m the AHJ!’” *IMSA Journal*. Volume 50 Number 6. November/December 2012. Newark, NY: International Municipal Signal Association.

PUBLICATIONS (continued...)

“Fire Alarm Notebook: New Requirements for College Dorms.” *IMSA Journal*. Volume 50 Number 5. September/October 2012. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Managing the Documentation.” *IMSA Journal*. Volume 50 Number 4. July/August 2012. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Avoid Delays!” *IMSA Journal*. Volume 50 Number 3. May/June 2012. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Not-So-Dead Air Space.”
IMSA Journal. Volume 50 Number 2. March/April 2012. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Choosing the Proper Audio Frequency.” *IMSA Journal*. Volume 50 Number 1. January/February 2012. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: It Worked, But It Wasn’t Right!” *IMSA Journal*. Volume 49 Number 6. November/December 2011. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: When Detection’s Not Enough.” *IMSA Journal*. Volume 49 Number 5. September/October 2011. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Carefully Examining Fire Alarm Goals.” *IMSA Journal*. Volume 49 Number 4. July/August 2011. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Carefully Planning the Design/Build.” *IMSA Journal*. Volume 49 Number 3. May/June 2011. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: How to Avoid a ‘Troubleshoot-out at the O.K. Corral!’”
IMSA Journal. Volume 49 Number 2. March/April 2011. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Fire Pump Supervision — Part 3.” *IMSA Journal*. Volume 49 Number 1. January/February 2011. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Fire Pump Supervision — Part 2.” *IMSA Journal*. Volume 48 Number 6. November/December 2010. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Fire Pump Supervision — Part 1.” *IMSA Journal*. Volume 48 Number 5. September/October 2010. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Accessibility Nightmare.” *IMSA Journal*. Volume 48 Number 4. July/August 2010. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Shut Down The Fan: A Reprise.” *IMSA Journal*. Volume 48 Number 3. May/June 2010. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Automatic Sprinkler System Valve Tamper Supervision.”
IMSA Journal. Volume 48 Number 2. March/April 2010. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Switching to Digital.” *IMSA Journal*. Volume 48 Number 1. January/February 2010. Newark, NY: International Municipal Signal Association.

PUBLICATIONS (continued...)

“Fire Alarm Notebook: What Can We Learn From The Past?” *IMSA Journal*. Volume 47 Number 6. November/December 2009. Newark, NY: International Municipal Signal Association.

“Fire Alarm Notebook: Another New Code!” *IMSA Journal*. Volume 47 Number 5. September/October 2009. Newark, NY: International Municipal Signal Association.

“Supervising Station Fire Alarm Systems.” Chapter 26. Richardson, Lee F. and Richard J. Roux, Eds. *National Fire Alarm and Signaling Code Handbook*. 2010 Edition. Quincy, MA: National Fire Protection Association, 2010.

“Shut down the fan.” *Fire Chief*. Vol. 15, No. 12. December 1971. Chicago: The H. Marvin Ginn Corporation.

PRESENTATIONS

“Fire Alarm Systems and Fire Protection — Continuing Education for NICET Certification.”
Presented to continuing education training sessions of The Wilkins Company, Erie PA 16506.
Periodically throughout 2013.

“Fire Alarm Systems and Fire Protection — Continuing Education for NICET Certification.”
Presented to continuing education training sessions of The Wilkins Company, Erie PA 16506.
Periodically throughout 2012.

“Fire Alarm Systems and Fire Protection — Continuing Education for NICET Certification.”
Presented to continuing education training sessions of The Wilkins Company, Erie PA 16506. Bi-weekly throughout 2011.

“Fire Alarm Systems and Fire Protection — Continuing Education for NICET Certification.” Presented to continuing education training sessions of The Wilkins Company, Erie PA 16506. Bi-weekly throughout 2010.

“Fire Alarm Systems and Fire Protection — Preparation for the NICET Exam.” Presented to continuing education training sessions of The Wilkins Company, Erie PA 16506. Bi-weekly throughout 2009.

“Fire Alarm Systems and Fire Protection — Preparation for the NICET Exam.” Presented to continuing education training sessions of The Wilkins Company, Erie PA 16506. Bi-weekly throughout 2008.

“Basic Fire Alarm Systems.” Presented to a training session of the West Ridge Hose Company, South Station, 4775 Sterrettania Road, Erie PA 16506. March 3, 2008.

“Fire Alarm Systems and Fire Protection — Preparation for the NICET Exam.” Presented to continuing education training sessions of The Wilkins Company, Erie PA 16506. Bi-weekly throughout 2007.

“Office Building Fire Safety.” Presented to a meeting of the Erie Fire Protection Group. Erie, PA. October, 2003.

“What’s New in NFPA 72-2002.” Presented to a meeting of the Erie Fire Protection Group. Erie, PA. July, 2003.

“Fire Safe Seniors.” Seminar Presented to a meeting of the Prime Timers at Wesley United Methodist Church, Wesleyville, PA. March 6, 2003.

“Fire Safe Seniors.” Seminar Presented to a meeting of the Prime Timers at First Presbyterian Church of the Covenant. Erie, PA. November 11, 2002.

“What’s New in NFPA 72-2002.” Presented to a meeting of the Three Rivers Chapter of the Society of Fire Protection Engineers. Pittsburgh, PA. October 15, 2002.

“Train the Trainer.” National Fire Protection Association Continuing Education Seminar. Minneapolis, MN, National Fire Protection Association’s World Fire Safety Congress, May 17-18, 2002.

PRESENTATIONS (continued...)

“Facility Fire Safety.” National Fire Protection Association Continuing Education Seminar.

- Richland, WA. February 4-7, 2002.
- Charlotte, NC. March 11-15, 2002.
- Nashville, TN. April 10-11, 2002.
- Farmington, CT. May 2-3, 2002.

“Flammable and Combustible Liquids Fundamentals—NFPA 30-2000, *Flammable and Combustible Liquids Code*.” National Fire Protection Association Continuing Education Seminar.

- Atlanta, GA. February 25-26, 2002.
- Schaumburg, IL. April 22-23, 2002.
- Farmington, CT. April 29-30, 2002

“Fire Alarm Systems—NFPA 72-1999, *National Fire Alarm Code*.” National Fire Protection Association Continuing Education Seminar.

- Atlanta, GA. February 27-29, 2002.
- Schaumburg, IL. April 24-26, 2002.

“The Science of Carbon Monoxide: A Silent Killer.” Presented at a joint session of the Building Fire Safety Systems Section and the Industrial Fire Protection Section at the National Fire Protection Association’s Fall Education Conference. Dallas, TX. November 13, 2001.

“Facility Fire Safety.” National Fire Protection Association Continuing Education Seminar.

- Atlanta, GA. October 22-26, 2001.
- Dallas, TX. October 29–November 2, 2001.

“Fire Alarm System Design Seminar.” Society of Fire Protection Engineers Continuing Education Seminar. Providence, RI. October 2-4, 2001.

“Fire Alarm System Design Seminar.” Society of Fire Protection Engineers Continuing Education Seminar. Baltimore, MD. September 10-12, 2001.

“Train the Trainer.” National Fire Protection Association Continuing Education Seminar. Quincy, MA. June 12-14, 2001.

“Fire Alarm Systems Reliability.” Presented at an educational session of the Building Fire Safety Systems Section at the National Fire Protection Association’s World Fire Safety Conference. Anaheim, CA. May 13, 2001.

“A Brief Introduction to Performance-based Building Design.” Presented at the Spring Meeting of the Signaling Systems Section of the National Electrical Manufacturers Association, San Diego, CA. April 23, 2001.

“Fire Alarm System Design Seminar.” Society of Fire Protection Engineers Continuing Education Seminar. Chicago, IL. April 10-12, 2001.

“Quality, It’s Your Choice.” Presented to the Annual Meeting of the Automatic Fire Alarm Association. New Orleans, LA. March 9, 2001.

PRESENTATIONS (continued...)

“Fire Alarm Systems—NFPA 72-1999, *National Fire Alarm Code.*” National Fire Protection Association Continuing Education Seminar.

- Kissimmee, FL. December 12-14, 2001.
- Pittsburgh, PA. June 6-8, 2001.
- Farmington, CT. March 28-30, 2001.
- Nashville, TN. April 25-27, 2001.
- Pittsburgh, PA. June 6-8, 2001.

“Train the Trainer.” National Fire Protection Association Continuing Education Seminar. Erlanger, KY. December 13-15, 2000.

“The Science of Carbon Monoxide: A Silent Killer.” Presented at a joint session of the Building Fire Safety Systems Section and the Lodging Industry Section at the National Fire Protection Association’s Fall Education Conference. Lake Buena Vista, FL. November 14, 2000.

“Flammable and Combustible Liquids Fundamentals—NFPA 30-2000, *Flammable and Combustible Liquids Code.*” National Fire Protection Association Continuing Education Seminar. Lake Buena Vista, FL. November 10-11, 2000.

“Automatic Sprinkler System Plans Review.” Seminar for the Connecticut Department of Public Safety, Office of the State Fire Marshal. Bloomfield, CT, October 10 and 12, 2000.

“Fire Alarm System Design Seminar.” Society of Fire Protection Engineers Continuing Education Seminar. Baltimore, MD. October 2-3, 2000.

“Fire Safety Concepts Seminar.” Presented to Seagate Technology, Inc. Redwood City, CA, September 26, 2000.

“Introduction to Performance-based Building Design.” Society of Fire Protection Engineers Continuing Education Seminar under contract with the National Fire Administration. Connecticut State Fire Training Academy, Windsor Locks, CT. August 29, 2000.

“Fire Alarm Systems—NFPA 72-1999, *National Fire Alarm Code.*” National Fire Protection Association Continuing Education Seminar.

- Farmington, CT. April 12-14, 2000.
- Schaumburg, IL. June 21-23, 2000.
- Philadelphia, PA. August 23-25, 2000.
- Atlanta, GA. December 6-8, 2000.

“What’s New in NFPA 72-1999.” Presented to the Annual Meeting of the Automatic Fire Alarm Association. Las Vegas, NV. March 17, 2000.

“Niche Marketing of Fire Alarm Systems.” Seminar for Diebold, Inc. Canton, OH, October 14, 1999.

“Benchmarking Fire Alarm System Quality.” Seminar for the Connecticut Department of Public Safety, Office of the State Fire Marshal. Middletown, CT, August 25-26, 1999.

“Fire Alarm Systems—NFPA 72-1999, *National Fire Alarm Code.*” National Fire Protection Association Continuing Education Seminar.

- Gardner, MA. August 11-13, 1999.
- Nashville, TN. October 27-29, 1999.
- Denver, CO. November 3-5, 1999.
- New Orleans, LA. November 12-14, 1999.

PRESENTATIONS (continued...)

“Performance-Based Codes and Prescriptive Codes, Comparison and Perspective.”
Seminar for the New York and New Jersey Chapters of the Society of Fire Protection Engineers.
New York, NY, April 30, 1999.

“How To Become A Player In The Fire Alarm Market.” Seminar for Bose Corporation.
Framingham, MA, March 31, 1999.

“Preparing for the NICET Fire Alarm Exam.” Underwriters Laboratories, Inc., Melville, NY.
March 24-26, 1999.

“Fire Alarm Systems—NFPA 72-1996, *National Fire Alarm Code*.” National Fire Protection Association Continuing Education Seminar.

- Houston, TX. March 3-5, 1999.
- Farmington, CT. April 14-16, 1999.

“Integrated Building Systems, An Insurance Viewpoint.” National Fire Protection Association Fall Meeting. Building Fire Safety Systems Section. Atlanta, GA, November 17, 1998.

“NFPA 70-1999, *National Electrical Code*[®] More Proposed Changes.” National Fire Protection Association Annual Meeting—Electrical Section. Cincinnati, OH. May 19, 1998.

“Industrial Fire Control Concepts Seminar.”

- Akzo Nobel Inc. Pasadena, TX. April 14-15, 1998.
- Procter & Gamble. Cincinnati, OH. July 13-14, 1998.

“Implementing Code-driven Industrial Fire Protection.” Ford Motor Company Municipal Fire Chiefs and Fire Marshals Conference. Dearborn, MI. March 3, 1998.

“Fireground Support of Automatic Sprinkler Protection.” West Hartford Fire Department Seminar:

- Group 2. West Hartford, CT. March 2-3, 1998.
- Group 3. West Hartford, CT. March 5-6, 1998
- Group 4. West Hartford, CT. March 23-24, 1998.
- Group 1. West Hartford, CT. April 1-2, 1998.

“Are We Really Ready For Performance-Based Codes.”

- Procter & Gamble Fire Protection Conference. Cincinnati, OH. February 24, 1998.
- Annual Breakfast Meeting of the Society of Fire Protection Engineers. Cincinnati, OH. May 20, 1998.

“Fire Alarm Systems—NFPA 72-1996, *National Fire Alarm Code*.” National Fire Protection Association Continuing Education Seminar.

- Las Vegas, NV. February 11-13, 1998.
- Livermore, CA. March 11-13, 1998.
- Farmington, CT. March 18-20, 1998.
- Ellicott City, MD. April 22-24, 1998.
- Denver, CO. November 4-6, 1998
- Atlanta, GA. December 9-11, 1998.

“It’s Three O’Clock In The Morning And I’m Responding To Another False Alarm.”
Presented to a meeting of the Massachusetts Burglar and Fire Alarm Association’s Fire Chiefs Night. Avon, MA. November 19, 1997.

“NFPA 70-1999, *National Electrical Code*[®] Proposed Changes.” National Fire Protection Association Annual Meeting—Electrical Section. Los Angeles, CA. May 23, 1997.

PRESENTATIONS (continued...)

“Fire Alarm Systems—NFPA 72-1996, *National Fire Alarm Code.*” National Fire Protection Association Continuing Education Seminar:

- Houston, TX. February 26-28, 1997.
- Towson, MD. April 30 - May 2, 1997.
- Lexington, KY. June 4-6, 1997.
- Schaumburg, IL. June 11-13, 1997.
- Philadelphia, PA. August 27-29, 1997.
- Rutherford, NJ. September 24-26, 1997.
- Portland, OR. October 29-31, 1997.
- Denver, CO. November 5-7, 1997.

“Positioning. The Battle For Your Mind.” Presented to the Annual Meeting of the Automatic Fire Alarm Association. Albuquerque, NM. March 8, 1997.

“Industrial Fire Control Concepts Seminar.”

- American Electric Power. Galopolis, OH. February 4-5, 1997.
- Akzo Nobel Inc. Northbrook, IL. March 4-5, 1997.
- McDonnell Douglass Corporation. St. Louis, MO. March 10-11, 1997.
- General Motors Corporation of Canada, Ltd. Oshawa, ON. May 5-9, 1997.

“Fire Alarm Systems Testing and Maintenance.” Presented to a meeting of the staff of Wells Fargo Alarm Services. New Haven, CT.

- January 23, 1997.
- January 30, 1997.
- August 19, 1997.

“Fire Safe Seniors.” Seminar presented at the meeting of the Prime Time Seniors, Calvary Church. West Hartford, CT. January 9, 1997.

“Preparing for the NICET Fire Alarm Exam.” AFA Protective Systems, Inc. Boston, MA. September 28-29, 1996.

“Changes to NFPA 72-1996, *National Fire Alarm Code.*”

- Presented at *Fire Protection 96—An Overview*. A seminar sponsored by Honeywell Home and Building Control Division. Windsor Locks, CT. September 18, 1996.
- Presented at the 42nd Annual Opening Meeting of the New York Metropolitan Chapter of the Society of Fire Protection Engineers. New York, NY. September 24, 1996.
- Presented at the Meeting of the Michigan Chapter of the Society of Fire Protection Engineers. Livonia, MI. October 15, 1996.

“Changes to Article 760 of NFPA 70-1996, *National Electrical Code.*®”

- 1996 Annual Meeting of the Security Industry Association’s Fire Detection Interest Group. New York, NY. August 26, 1996.
- Presented at *Fire Protection 96—An Overview*. A seminar sponsored by Honeywell Home and Building Control Division. Windsor Locks, CT. September 18, 1996.

“Reviewing Plans and Inspecting the Wiring of a Fire Alarm System.” Meeting of the Building Officials, Electrical Inspectors, and Fire Marshals of Prince William County, VA. Prince William, VA. June 26, 1996.

“How to Provide Code-complying Central Station Service.” Meeting of the Managers and Sales Staff of Vector Security. Annapolis, MD. June 18, 1996.

PRESENTATIONS (continued...)

“Review and Examination Preparation for the *Certified Fire Protection Specialist Exam.*”

Meeting of the Industrial Risk Insurers Technical Service Center Staff.

- Atlanta, GA. June 3, 1996.
- Los Angeles, CA. August 8, 1996.
- Charlotte, NC. September 9, 1996.

“Who Has the Monkey for Performance-Based Codes?” Breakfast Meeting of the Automatic Fire Alarm Association at the National Fire Protection Association Annual Meeting. Boston, MA. May 22, 1996.

“Industrial Fire Control Concepts Seminar.” Akzo Nobel Inc. Chicago, IL. May 15-16, 1996.

“Proposed Revisions to NFPA 72-1996, *National Fire Alarm Code.*”

- Meeting of the New England Chapter of the Society of Fire Protection Engineers. Norwood, MA. May 6, 1996.
- Meeting of the Electrical Section at the NFPA Annual Meeting. Boston, MA. May 22, 1996.

“Changes to Article 760 of NFPA 70-1996, *National Electrical Code.*®”

- 1996 Annual Meeting of the Automatic Fire Alarm Association. Orlando, FL. March 9, 1996.
- 1996 Annual Meeting of the National Independent Fire Alarm Distributors. Boston, MA. May 19, 1996.

“Fire Prevention: Are You Prepared?” 1996 American Textile Manufacturers Institute Safety & Health Conference. Hilton Head Island, SC. March 4, 1996.

“Fire Alarm Systems—NFPA 72-1993, *National Fire Alarm Code.*” National Fire Protection Association Continuing Education Seminar:

- Mesa, AZ. February 22-23, 1996.
- Vienna, VA. March 21-22, 1996.
- Farmington, CT. March 28-29, 1996
- St. Louis, MO. May 9-10, 1996.
- Amherst, NY. June 11-12, 1996.
- Mahwah, NJ. October 9-11, 1996..

“Fire Department Operations at Sprinkler-Protected Properties.” Fire Department Instructors Conference. Indianapolis, IN. February 20, 1996.

“Living With Fire Alarm Systems.” Fire Department Instructors Conference. Indianapolis, IN. February 19, 1996.

“Perseverance Gives Perspective To Protection.” Presentation at the Procter & Gamble Conference on Leading Global Fire Protection Programs in Times of Rapidly Changing Technologies and Work Place Environments. Cincinnati, OH. February 12, 1996.

“Review and Examination Preparation for the *Certified Fire Protection Specialist Exam.*”

Meeting of the Industrial Risk Insurers Technical Service Center Staff. Cincinnati, OH. February 6, 1996.

“Fire Protection Surveillance—Why the Property Insurance Company Wants a Fire Alarm System.” Meeting of the Maryland/District of Columbia/Virginia Chapter of the Automatic Fire Alarm Association. Calverton, MD. November 28, 1995.

PRESENTATIONS (continued...)

“Using Results of the *International Fire Detection Research Project* to Select Real-World Fire Detector and Sprinkler Head Locations—Demonstration of a Sample Training Exercise.” Joint Meeting of the Building Fire Safety Systems Section and Research Section at the National Fire Protection Association Fall Meeting. Chicago, IL. November 13, 1995.

“Industrial Fire Control Concepts Seminar.” Louisiana State University Fire Training Academy, Baton Rouge, LA. June 12-13, 1995.

“Central Station Fire Alarm Systems for Highly Protected Risks.” McDonnell Douglass Corporation Fire Chiefs Meeting. St. Louis, MO. June 7, 1995.

“NFPA 70-1996, *National Electrical Code*[®] More Proposed Changes.” National Fire Protection Association Annual Meeting—Electrical Section. Denver, CO. May 23, 1995.

Fire Alarm Systems—NFPA 72-1993, *National Fire Alarm Code*.” National Fire Protection Association Continuing Education Seminar:

- Houston, TX. March 9-10, 1995.
- Ft. Lauderdale, FL. March 23-24, 1995.
- Falls Church, VA. March 30-31, 1995.
- St. Louis, MO. June 8-9, 1995.
- Towson, MD. September 14-15, 1995.
- LaJolla, CA. November 2-3, 1995.
- Atlanta, GA. December 7-8, 1995.

“*National Fire Alarm Code Update*.” Society of Fire Protection Engineers Chapter Meeting. Cleveland, OH. March 6, 1995.

“Management Programs for Loss Prevention and Control.” Industrial Risk Insurers Technical Service Center Seminar:

- Hartford, CT. February 7, 1995.
- New York, NY. February 8, 1995.
- Boston, MA. February 9, 1995.
- Philadelphia, PA. February 21, 1995.
- Charlotte, NC. February 22, 1995.
- Atlanta, GA. February 23, 1995.
- Dallas, TX. February 24, 1995.
- San Francisco, CA. March 1, 1995.
- Los Angeles, CA. March 2, 1995.
- Cleveland, OH. March 7, 1995.
- Chicago, IL. March 8, 1995.
- Toronto, ON. March 14, 1995.
- Frankfurt, Germany. April 5, 1995..

“Residential Carbon Monoxide Detection.” Fire Department Instructors Conference. Indianapolis, IN. February 6, 1995.

“Fire Alarm Systems at Highly Protected Risks.” Industrial Risk Insurers Technical Service Center Seminar. Long Beach, CA. January 27, 1995.

“Marketing Fire Alarm Systems to the Industrial Customer.” Simplex Time Recorder Company Industrial Marketing Education Seminar. Gardner, MA. November 15, 1994.

“The Executive Perspective—How Should an Executive View Fire Safety in Industry?” Fire-Rescue International/1994 of the International Association of Fire Chiefs. St. Louis, MO. August 30, 1994.

PRESENTATIONS (continued...)

“NFPA 70-1996, *National Electrical Code*[®] Proposed Changes.” National Fire Protection Association Annual Meeting—Electrical Section. San Francisco, CA. May 17, 1994.

“Introducing the *National Fire Alarm Code*.” St. Louis Chapter of the Society of Fire Protection Engineers—Vendors Exposition and Seminar. St. Louis, MO. May 10, 1994.

“Fire Alarm Systems—NFPA 72-1993, *National Fire Alarm Code*.” National Fire Protection Association Continuing Education Seminar:

- Houston, TX. April 14-15, 1994.
- Farmington, CT. June 9-10, 1994.
- Lexington, KY. August 18-19, 1994.
- Braintree, MA. September 29-30, 1994.
- Portland, OR. November 3-4, 1994.
- LaJolla, CA. November 10-11, 1994.
- Atlanta, GA. December 8-9, 1994..

“Management Programs for Industrial Loss Prevention and Control.” Simplex Time Recorder Company Industrial Marketing Education Seminar:

- Houston, TX. April 13, 1994.
- Dearborn, MI. June 7, 1994.
- Raleigh, NC. July 13, 1994.
- Seattle, WA. August 16, 1994.
- St. Louis, MO. September 8, 1994.
- Miami Lakes, FL. October 19, 1994.

“Alarm and Detection Systems: Mid-Course Corrections?” 66th Annual Fire Department Instructors Conference. Cincinnati, OH. March 23, 1994.

“Fire Alarm Technology—Meeting the Challenges of the 1990s.” Procter & Gamble Fire Protection Conference. Cincinnati, OH. February 7, 1994.

“Fire Alarm Systems for Industrial Applications.” National Fire Protection Association Fall Meeting—Joint Electrical Section and Industrial Fire Protection Section Meeting. Phoenix, AZ. November 16, 1993.

“Fire Alarm Systems—NFPA 72-1993, *National Fire Alarm Code*.” National Fire Protection Association Continuing Education Seminar:

- Denver, CO. October 28-29, 1993.
- Bellevue, WA. November 4-5, 1993.

“Facility Contingency Planning.” The Premier Risk Management Conference for Industry and Commerce. King of Prussia, PA. September 22, 1993.

“*National Fire Alarm Code* and Code Compliance. Electralarm Systems, Inc.-sponsored PASONA Seminar. Roanoke, VA. September 14, 1993.

“Professionalism, A Tradition Worth Keeping.” Professional Alarm Services Organizations of North America Annual Meeting—Banquet. May 27, 1993.

“Introducing the *National Fire Alarm Code*.” National Fire Protection Association Annual Meeting—Electrical Section. Orlando, FL. May 25, 1993.

“Total Quality Training.” Fire Department Instructors Conference. April 6, 1993.

PRESENTATIONS (continued...)

“Fire Alarm Systems—Plans Review through Acceptance Test.” National Fire Protection Association Continuing Education Seminar:

- Houston, TX. March 11-12, 1993.
- Vienna, VA. March 18-19, 1993.
- New Brunswick, NJ. April 22-23, 1993.
- Farmington, CT. April 29-30, 1993.

“A Funny Thing Happened on My Way to Seminary—Rural Fire Fighting in the 21st Century or Before.” Clymer Fire Department Appreciation Dinner Clymer, NY. February 6, 1993.

“An Objective Approach to Designing Fire Alarm Systems.” Sonitrol Security Corporation Advanced Fire Alarm School. Orlando, FL. November 13, 1992.

“Managing Change in the Fire Problem.” Connecticut Chapter, American Society for Industrial Security. Glastonbury, CT. October 20, 1992.

“Handcuffs on Your Brain.” Firepro Incorporated. Burlington, MA. August 10, 1992.

“NFPA 72: A Standard for the Next Century.” International Municipal Signal Association Annual Meeting. Cherry Hill, NJ. August 5, 1992.

“Preparing for the NICET Fire Alarm Exam.” AFA Protective Systems, Inc. North Brunswick, NJ. July 13-15, 1992.

“Fire Protective Signaling Systems: The Good, The Bad and The Ugly.”

- Travelers Insurance Companies. Simsbury, CT. June 3, 1992.
- Richmond, VA Chapter, Society of Fire Protection Engineers. September 28, 1992.
- New York, NY Chapter, Society of Fire Protection Engineers. October 19, 1992.

“Digital Alarm Communicators and Derived Local Channel.” Firepro Incorporated. Burlington, MA. May 11, 1992.

“Capturing the Mind of Workforce 2000.” Fire Department Instructors Conference. Cincinnati, OH. April 12, 1992.

“When Quality Isn’t...” Seminar program of the Professional Alarm Services Organizations of North America (PASONA):

- Peninsula Fire Prevention Officers Association. Carmel-by-the-Sea, CA. March 24, 1992.
- National Independent Fire Alarm Distributors. New Orleans, LA. May 17, 1992.
- Fire Marshals Association of North America. New Orleans, LA. May 19, 1992.
- Residential Insurers Meeting at Underwriters Laboratories Inc. Northbrook, IL. September 22, 1992.

“Loss Prevention & Control—You Make It Work.” Waterford Hotel Management Group, Inc. February 7, 1992.

PRESENTATIONS (continued...)

“Fire Alarm Systems—Plans Review through Acceptance Test.” National Fire Protection Association Continuing Education Seminar:

- Livermore, CA. February 3-4, 1992.
- Houston, TX. February 27-28, 1992.
- Pittsburgh, PA. April 30 - May 1, 1992.
- Farmington, CT. May 7-8, 1992.
- Denver, CO. November 5-6, 1992.
- Atlanta, GA. December 3-4, 1992.
- Orlando, FL. December 10-11, 1992.

“Why does the property insurance industry prefer Signaling Systems for Central Station Service?” CBA Security Seminar. Lewiston, ME. September 18, 1991.

“An Engineering Approach to Fire Detection.” Northern New Jersey Chapter of the Society of Fire Protection Engineers. East Hanover, NJ. September 9, 1991.

“What Are You Going To Do Now?” New England Section International Municipal Signal Association 1991 Summer Training Conference. Worcester, MA. June 21, 1991.

“NFPA 72—Background of the Reorganization.” Northern California/Nevada Chapter of the Society of Fire Protection Engineers Seminar. Oakland, CA. June 4, 1991.

“NFPA 72: A Prodigal Comes Home.” National Fire Protection Association Annual Meeting, Electrical Section. Boston, MA. May 22, 1991.

“The Impact of Management Programs on Loss Prevention and Control.” The College of Insurance Seminar. Farmington, CT. May 15, 1991.

“Making Training Come Alive.” Fire Department Instructors Conference. Cincinnati, OH. March 25, 1991.

“Overview Applied.” Industrial Risk Insurers Western Regional Office Spring Meeting. Galena, IL. March 21, 1991.

“Fire Alarm Systems—Plans Review through Acceptance Test.” National Fire Protection Association Continuing Education Seminar:

- Augusta, GA. February 21-22, 1991.
- Tysons Corner, VA. April 18-19, 1991.
- Grand Rapids, MI. June 6-7, 1991.
- Lexington, KY. September 12-13, 1991.
- Burlington, MA. October 10-11, 1991.
- Denver, CO. October 24-25, 1991.
- Baltimore, MD. November 7-8, 1991.
- Atlanta, GA. November 14-15, 1991.
- Lake Buena Vista, FL. December 19-20, 1991.

“How Insurance Can Affect Fire Alarm Approvals.” Arizona Automatic Fire Alarm Association. Phoenix, AZ. October 10, 1990.

“Fire Detection.” Central Station Alarm Association Annual Meeting. Phoenix, AZ. October 9, 1990.

“Signaling Standards Update.” Charlotte Chapter of the Society of Fire Protection Engineers. Charlotte, NC. September 10, 1990.

PRESENTATIONS (continued...)

“Signaling Systems—The Insurance Company Perspective.” CBA Security Seminar. Lewiston, ME. July 18, 1990.

“A Holistic Approach to Fire Protection Creates a Win-Win Environment.” Automatic Fire Alarm Association Annual Breakfast. San Antonio, TX. May 23, 1990.

“NFPA 600—Development and Future.” National Fire Protection Association Annual Meeting, Industrial Section. San Antonio, TX. May 21, 1990.

“Signaling Systems into the 1990s.” Dallas/Ft. Worth Chapter of the Society of Fire Protection Engineers Seminar. Dallas, TX. May 18, 1990.

“Standards for the 1990s.” Central Station Alarm Association. Washington, DC. March 5, 1990.

“Signaling Systems for Central Station Service.” California Fire Chiefs Association Fire Prevention Officers Section Communication Symposium. Ontario, CA. February 27, 1990.

“Fire Alarm Systems—Plans Review through Acceptance Test.” National Fire Protection Association Continuing Education Seminar:

- Phoenix, AZ. February 15-16, 1990.
- Raleigh, NC. March 8-9, 1990.
- Miami, FL. March 15-16, 1990.
- St. Louis, MO. June 7-8, 1990.
- Columbus, OH. June 14-15, 1990.
- Baltimore, MD. September 20-21, 1990.
- Houston, TX. October 18-19, 1990.
- Atlanta, GA. November 29-30, 1990.
- Orlando, FL. December 13-14, 1990.

“Location and Placement of Automatic Fire Detectors.” National Association of Fire Equipment Distributors Sectional Seminar. San Diego, CA. February 8, 1990.

“Signaling Systems.” National Conference on Industrial Loss Prevention and Control. Orlando, FL. January 18, 1990.

“Managing the Industrial Fire Loss Problem.” Georgia Fire Instructors Conference. Forsyth, GA. November 7, 1989.

“Limiting Liability through Proper Training and Supervision of Guards.” American Insurance Services Group, Inc. Security Liability Conference. Orlando, FL. November 1, 1989.

“The Great Computer Shoot Out: MS-DOS vs. Macintosh.” National Symposium on Computing in the Fire Service. St. Louis, MO. October 2, 1989.

“Fire Alarm Systems for Highly Protected Risks.” Connecticut Burglar and Fire Alarm Association. New Haven, CT. May 25, 1989.

“NFPA 71-1989.” National Independent Fire Alarm Distributors Association. Washington, DC. May 14, 1989.

“The Instructor as a Performing Artist.” Fire Department Instructors Conference. Cincinnati, OH. March 21, 1989.

PRESENTATIONS (continued...)

“Fire Alarm Systems—Plans Review through Acceptance Test.” National Fire Protection Association Continuing Education Seminar:

- Baltimore, MD. February 16-17, 1989.
- Anchorage, AK. May 4-5, 1989.
- Farmington, CT. May 11-12, 1989.
- Cincinnati, OH. September 14-15, 1989.
- Overland Park, KS. October 12-13, 1989.
- Ft. Lauderdale, FL. December 7-8, 1989.

“Fire Alarm Standards.” Radionics Seminar. Salinas, CA. January 26, 1989.

“IRI? Any relation to the IRS?” California Automatic Fire Alarm Association. Palm Springs, CA. January 20, 1989.

“Electronic Surveillance.” National Conference on Industrial Loss Prevention and Control. Orlando, FL. January 18, 1989.

“Fire Protective Signaling Systems.” Honeywell Protective Services, Inc. Seminar. Kenwood, OH. June 29, 1988.

“Fire and Security Surveillance.” Automatic Fire Alarm Association of New Jersey. Newark, NJ. June 23, 1988.

“Alarm Transmission via Digital Alarm Communicator and Derived Local Channel.” Federal Fire Forum. Gaithersburg, MD. June 6, 1988.

“Fire Protective Signaling Systems.” National Guardian Seminar:

- Los Angeles, CA. May 26, 1988.
- Foster City, CA. July 11, 1988
- Chicago, IL. September 23, 1988.
- Minneapolis, MN. September 28, 1988.

“Fire Alarm Systems—Plans Review through Acceptance Test.” National Fire Protection Association Continuing Education Seminar:

- Las Vegas, NV. March 24-25, 1988.
- Trevoise, PA. April 21-22, 1988.
- Baltimore, MD. August 18-19, 1988.
- Toronto, ON. September 15-16, 1988.
- Bloomington, MN. September 29-30, 1988.
- St. Louis, MO. October 13-14, 1988.

“Philosophy of Property Loss Prevention.” Risk and Insurance Management Society. Washington, DC. April 18, 1988.
